Women’s ribbons and badges are aligned with the plastic nameplate. The plate is adjusted to individual figure differences. The nameplate is centered horizontally on the right side between one and two inches above the top button of the coat. Individual service ribbons are aligned parallel to the bottom of the name plate.

Ribbons are centered 1/8" above the top center of the left breast pocket, normally three to a row; with no space or 1/8" between rows.

Combat and skill badges are worn 1/4" above ribbons or below top of pocket 1/2" apart.

Identification badges are centered on the pocket between the bottom of the pocket and the bottom of the pocket flap.

Rank is sewn on the sleeve halfway between the shoulder seam and the elbow.

Hashmarks are placed 4" above the bottom of the left sleeve centered on the sleeve.
